- **Tuition:** Training and Assessment Period (40hrs per fortnight of work)
- **Holidays:** Time off from class (full-time work)
- **Consolidation week:** No training sessions, the allocation of course hours is to be used for finalizing, completing and submitting assessment. This allows students to complete one unit before commencing the next in an attempt to keep their studies on track and allow them to finish the qualification in full within their study duration (full-time work if assessment has been completed)
